

KICKAPOO ♥ KAMP

November 2010

Est. 1925

A FUNDERful Time Was Had By All in 2010!

Last summer's success cannot be UNDERstated! We hope that the DVD of your term helps you relive many happy memories from our FUNDERful summer together. All of the costumes and relays UNDER the Big top kept everybody amused, and the Karnival UNDER the Sea was a blast, from the crab cupcake walk and the dunking booth to the fishing booth where campers caught silly bands. UNDER the Red, White, and Blue found everyone enjoying all-American hotdogs, relays, and fireworks. Hide the Money involved everyone in a night of fun with our creative counselors dressed up in FUNDERful costumes. We thoroughly enjoyed being a part of each girl's fun and are grateful that we have such amazing counselors who worked enthusiastically to create an atmosphere of fun and friendship. We treasure the support and trust that our parents have given us and are already looking forward to next summer. Next summer will take campers to new places and introduce them to new faces.

Camp 2011

Most of you have already reserved a spot, but if you have not signed up yet, do not delay. Several age- levels already have a waiting list, and our two-week terms are almost full, so time is of the essence. One of the hardest things we have to do is tell returning campers that we do not have a spot for them. If you have friends who want to come to kamp next summer, tell them to get signed up now to reserve their spot! Just go to our website and submit your application online. Remember that deposits are refundable until March 1.

Kickapoo is going Paperless!

(Hopefully.... We are going to try, anyway)

Remember that if you need any forms relating to your daughter's summer at kamp, they are ALL easily accessible on our website. You can simply click on the "Pre-Kamp Information and Forms" link and print. In addition, this year, Laura is going to try sending some or all of the statements via email this year. Hopefully this endeavor will be a huge success and we will save some trees. Look for your statement via email starting in March, and make sure Laura has the correct email address for you.

Planning a trip over the holidays?

Don't forget your KK attire! We are always looking for new photos for the KK Around the World page of our website. You know your pretty face will make it better!! It's just one more example of how Kamp can take you places!

New Bunk Policy Hailed as a Huge Success!

Thank you for making our new bunk policy a success. Opening day went more smoothly, and we were able to complete the check-in process for our campers in record time. Next summer we will follow the same procedure. As each camper arrives at camp, she will draw a number that corresponds to the number of a bunk in her cabin. It's our newest tradition at kamp!

Refer a friend to Kickapoo!

Our favorite new kampers are referred by YOU! We appreciate you spreading the word by recommending Kickapoo to your friends. As a THANK YOU GIFT, we will be giving kampers a James Avery gift card to spend after kamp next summer. That creates twice the fun! You get to have fun with a friend at kamp and add charms to your charm bracelet by shopping at James Avery in Kerrville or in your own hometown.

Christmas shopping at the Trading Post

Need a Holiday Gift for your camper? Have it delivered to your door. Our new and improved web version of our camp store will be up and running soon. We have added new items, such as our cloisonné Christmas ornament, blankets, and more. Also remember that kamp jewelry makes a great stocking stuffer!

It's Party Time!.....
It's Party Time!.....
It's Party Time!

During the months of January and February, Laura and Myrtle will travel Texas, Oklahoma, and Louisiana to share the joy of Kickapoo with new families and find a few additions to our "camp family." Laura will be contacting those of you who have already indicated that you are interested in hosting a pizza party and will contact some additional families to see if they would be interested in hosting a party this year.

The pizza parties are a great opportunity to get together with other Kickapoo girls in your area, share the joys of Kickapoo with your friends, and watch the Promotional DVD.

Hosting a party is easy and qualifies camper hostesses for incentives. The party lasts about an hour and a half. Attendees get to eat lots of pizza, watch the DVD from last year as well as the promotional DVD, win prizes, and enjoy being around a great group of girls! Kickapoo creates the Evite and the pizza, so all you have to do is set up the party with Laura and invite your friends!

Can You Hear the Music?

Our parties are more fun when our "old" campers share their experiences with prospective campers! In order to entice you to join us, we are giving I-TUNES gift cards to each camper who attends a party and has already signed up to come to camp for summer 2011. Bring your friends and join us for pizza and fun!

In Appreciation of Your Hospitality

Because we appreciate the opportunity to meet your friends and family members, the camper who hosts a party in her home will receive a James Avery gift card to take shopping after camp.

The following is a schedule of gift card values for James Avery:

Host a party - \$30

Each friend who attends a party as a prospective camper: \$4.00 for each friend.

Friends' parent(s) attend party: \$4.00 for each set of parents.

Mother-Daughter and Kamp for Life Weekends

Our Mother-Daughter weekends are so popular that people have already started making inquiries. The weekends are a great way for moms and daughters to experience camp life together. Easter is late this year, so we have scheduled Kamp-for-Life Weekend for April 15-17. The dates of our Mother-Daughter weekends will be available in January. Mark your calendars to contact Laura starting January 1st in order to reserve your spot. There is a new group policy. A group is now defined as a reservation for one entire cabin. This means the maximum is 14. Each group must have their own contact person for their cabin. If your group is large enough to fill a cabin, please indicate that in your initial email to Laura. All 5 weekends fill quickly and have waiting lists, so don't delay!

Don't forget to share this newsletter with your Kickapoo Kamper! We want her to know the latest Kamp info too!
