

Salary Information
Kickapoo Kamp

Our salary schedule is based on our past experience. The pay for counselors is graduated over the summer so that the longer you work the more you will be paid. The experience you gain throughout the summer is an asset to Kickapoo! Also, term preference seems to lean toward Terms 1 and 2 so there is additional incentive to chose Term 3 if you are planning on summer school or have other plans for part of the summer.

Term 1 (2 weeks)	\$300.00	(\$150.00/week)
